

My name is Tom Molyneaux and I am submitting my information for consideration by you to serve on the Board of Directors. My wife, Phyllis, and I have been in the park since 2004 and have enjoyed every moment there.

I am currently on the ECC committee and want to continue to see our park make improvements that we can all enjoy and benefit from.

I was in the US Navy from 1975-1981 and worked in communications. After the Navy I worked for the Department of Defense and the Department of Energy holding a Top Secret and Q clearances. I started my own IT business in 1992 specializing in system networking and security. In 2006 I taught computer security and networking part time at a local college where eventually, I became the IT department manager, managing 40 instructors and over 500 students. I retired in 2010 dedicating myself to babysitting grandchildren at various times (5 of them), doing yard work, fishing, taking naps with the cat and enjoying our stay at White Horse Park.

If elected I would work hard for the benefit of the WHP community and its members.
