

My name is Bob Harrison and I live on White Pine Lane, here in the park. As a lot owner, I have decided that I would like to run for a position on the Board of Directors for the White Horse Park Association. I lost my wife of 28 years in Sept 2015, and find I have a lot of spare time on my hands, and believe that time could be well spent helping to keep our park thriving and an enjoyable place for all members of the association.

In the past, we owned several businesses, one which was organic produce which we sold in Ocean Pines in Berlin. We also had about 600 hens and sold brown and blue eggs. In addition, I owned a locksmith business, we owned all the kiddie rides that used to be in Shanty Town, and we founded a classic car club in the area.

I feel that my 28 years of agricultural experience and business dealings, wherein I dealt with my employees, the State and Local Governments, and the general public, gives me the ability to deal with individuals and to help keep our budget in hand. I also have licenses with the MDA, DDA and VDA (Maryland, Delaware and Virginia Department of Agriculture).

Your vote would be greatly appreciated, and if elected, I will do everything in my power to keep White Horse Park a place we can all be proud of.
