

Fellow Neighbors

My name is Ed Webb. My wife, Marge, and I have owned a place in W.H.P. since October 2000 and now own a second a place in the Park. I have been chairperson for the marina and boat yard committee for the last 13 years. I was involved from the beginning in the rebuilding of the marina. My wife and I have also been involved in various other committees in W.H.P.

My main reason for running for the Board is to continue to fix problems as they occur in the Park and to work to keep the value of the owners' properties from depreciating. In previous years, I served 3 years as vice president of the Board of Directors. I will always be available to listen to owners' concerns and suggestions.
