

Park Manager's Report

7/26/2018

Sewer Pumps – We have an estimate to repair the one pump that was under-pumping. It needed a new impeller. The repair will cost about \$2,500.00. That is about half the cost of a new pump.

Storm Drain Pipe – I'm going to try to put some pressure on Chris McCabe to get the permits. This is dragging on too long.

Pool - We got a complaint that the pool was closed when someone went there on Friday 7/20, at 9PM. I contacted the pool company – he told the guards not to do that again.
