

NOMINATIONS FOR Board of Directors

There are 3 positions to be filled on the B.O.D., 2 for 3 years and 1 for 1 year.

David Beauregard
52 Salt Spray

I am the son of a career Navy seaman, and was raised in Norfolk, VA, and Central Village, CT. I enlisted in the US Army at 18 where I served for six years as both a tanker in Wiesbaden, Germany, and later as an administrative specialist at Fort George G. Meade, MD. While stationed at Fort Meade, I met my wife and have lived in Maryland ever since. I am currently employed with Verizon as a Manager for Installation and Maintenance for the lower Eastern Shore, with offices in Salisbury and Ocean City.

My primary residence is in Pasadena, MD, where I live with my wife, Chris, our greyhound, Lucy and two cats, Boo and Millie. We have one son who is engaged and planning a wedding for September.

I enjoy all sports and was involved in youth athletics for many years, as both coach and umpire. I have been a member of several Baltimore area social clubs and enjoy meeting and working with people to help in any capacity. I also enjoy spending as much time as I can at WHP, where you can find us (to include our greyhound Lucy) at least one or two weekends a month.

White Horse Park Vision

I want to continue to build on a strong sense of community and to make sure all homeowners feel connected to what happens here at WHP, even if they are only occasional residents. I look to be a voice for our homeowners. I feel like we have a strong group of property owners and an excellent team managing and maintaining our park. I've seen a lot of improvements and progress over the past two and a half years and feel it is very important to be an advocate for those who perform the daily duties of overseeing our park's operations. I was here during the blizzard of 2010, when only a handful of residents were here, and was impressed at how hard the park's management and residents worked to make sure all of our property was safe and secure.

It is my belief that it is the responsibility of the board to ensure that resources are made available to continue to move our community forward, all the while maintaining fiscal responsibility. I feel strongly that our community can continue to be a fun and enjoyable place to visit, relax and have fun for both young and old. We are fortunate to have plenty of assets at our disposal, a beautiful swimming pool, playground for children, a nice club house and a marina, all of which are very important to maintaining our ownership interests and property values. I believe with continued diligence, our park will continue to grow, improve and be a place that we all will enjoy and be proud of for many years.

Pat Heath
276 Woodhaven Court

I have lived in the park for about five years. My unit number is 276 on Woodhaven Ct. I have served on numerous Boards and Committees over the years including President, Secretary and Treasurer of the last Condo Association where we were owners, a member of the Board of Directors on a Board that established a youth athletic association in our county, President of a Scout Troop, County representative for Frederick County for a Federal Reading Program, Business Owner and Bookkeeper for our auto body business for the past 35 years. I was on the committee that put the new playground here at the park. I researched a plan to reduce our cost for trash removal that saved the park around \$10,000. I am currently serving on the ECC Committee. I have organized several successful raffles in the park and have helped when asked at the club house.

White Horse Park Vision

I am committed to the park and feel I have experience and ability to contribute to the park. I will always be looking for ways to save money. I feel I can work well with the current staff. I would like to see more involvement of the community through committees and opinion polls to help the Board make decisions with feedback from the community before important decisions are made on their behalf. I would be honored to serve on the Board.

Ed Webb
216 Timberline

My wife, Marge, and I have owned in White Horse Park since October 2000. Before buying in White Horse Park, we owned a unit at Bayshore Condo on 28th Street in Ocean City for 15 years. During that time, I was on the Board of Director's for 12 years, eight years as Treasurer, two years as Vice President and two years as President.

I have been the Chairman for the Marina for 5 years, assigning boat slips and parking spaces in the boat yard. Marge and I are on the Activities Committee for the Park and work most of the affairs that we have. I have also been the Chairman for the Voting Committee for five years, which is responsible for counting the ballots for the Board of Director's election.

We enjoy fishing and crabbing and spend a lot of time at the pool.

White Horse Park Vision

Marge and I are always willing to help our neighbors and will continue to make White Horse Park the best-kept secret on the Eastern Shore.

Linda Zaworski
62 Skipjack Circle

My husband Rich and I have been community members at White Horse Park for six years. We have two chocolate Shar-pei's, which you might have seen us walking around the park. Last summer I quit work to be a stay-at-home mom to the puppies. Now that I have the time, I would like to take this opportunity to better serve the WHP community.

I have been a purchasing manager for government agencies and contractors and a commercial steel company, and a commercial lighting project manager for the past 15 years. I have worked with CEO's, architects, engineers, etc., all toward a common goal of finishing a project as they had been projected. My position has been to be a medium between parties to complete projects, provide customer service, accounting on the projects, change orders, solve problems on the project and making sure the projects run smoothly and on time. I typically handled approximately 30-40 projects at any given time. I have excellent computer and communication skills, and work very well under pressure; I am very objective.

My hobbies are rubber stamping and scrapbooking. I love gathering with others to make greeting cards to share with friends and family.

White Horse Park Vision

I feel my past experience of working closely with a team is like being part of a community, a community drawn from all the members who dwell in it for the common good, Being a resident of White Horse Park, I only want what is best for our neighborhood and would be honored to serve on the board to better serve our community, and uphold its rules and regulations.

Gerald (Jerry) Mathison
209 Timberline Circle

My wife, Barbara, and I have been homeowners at White Horse Park since 2004. I am 68 years old and a retired Lieutenant from the Baltimore City Fire Department, where I served for 35 years. I also have been a member of English Consul Volunteer Fire Department for almost 50 years and have served on their Board of Directors for more than 25 years.

I have previously served on the White Horse Park Board of Directors for three years, from 2006-2009, the last two years as President.

White Horse Park Vision

I believe that while serving in the above positions, I have gained a lot of knowledge that I can bring to the table to keep White Horse Park running smoothly. I am asking for your vote so that I can work for you and the best interests of WHP.

John D. Nethken Jr.
15 Deep Sea Drive

I was employed in the railroad industry and retired as a Signal and Communications Engineer after 40 years of service. I have been married for 53 years, and have three children, eight grandchildren and five great-grandchildren. My family has been owners in White Horse Park for 16 years.

I have served the WHP community as ECC Committee Chairman for two years, a member of the Marina Committee, and six years on the Board of Directors where I served as Secretary, Treasurer and President. While on the BOD, we handled the following: water project, underground electric routing, club house fire and restoration, renew pool surface and filters, dredging and new piling at the Marina and the new road surfacing.

White Horse Park Vision

If elected to the Board of Directors, I look forward to serving/representing the owners in White Horse Park for the good of all.

Stanley L. Campbell
303 Timberline Circle

My wife, Anna, and I purchased in White Horse Park in 1985. Shortly thereafter I expressed an interest in running for the Board of Directors and was asked to serve as Secretary. In 1986 I was elected to the Board and served for the next three years. Subsequent to that I was selected to serve as Chairman of the Marina Committee for three years.

We have lived in the park since I retired from the Department of Housing and Community Development in 1995.

White Horse Park Vision

It is my desire to become more actively involved in the operation of the Park and feel that I can do so by serving on the Board of Directors.
