NEWS YOU CAN USE

august 2010

tell them to stop by the office and we will be

The “dog days of summer” are definitely upon us. With temperatures in the mid-to-upper 90s and the heat index reaching the triple digits, everyone is looking for ways to keep cool. If you’re working or playing outdoors, remember to slow down, don’t over exert yourself, and stay hydrated.

Down to Business

Marina Update

We’re making progress on the renovation of the Marina. All the permits are now in. We have received two estimates and are in the process of getting another. Watch future newsletters for updates.

Guests and Relatives

It’s that time of year again when everyone wants to come to the beach. What better way to do it than to visit “Aunt Susie” or “Uncle Tommy” at White Horse Park? While it’s always fun to have family and friends drop by for a visit, remember, they must sign in at the front office. Owners in the park are not allowed to use their gate card to let in their guests. Simply

more than happy to help them sign in.

Home Improvements

Summer also means finally tackling all those chores and home improvements that you’ve been putting off all winter long. According to White Horse Park Rules and Regulations, “ECC approval is required for **ANY** improvement or construction to be completed on the exterior of your unit or lot/property.” Please submit your ECC form several weeks prior to the date you want your construction to begin, since it takes time to get the form to the necessary ECC committee members.

Pool Use

There is no better way to beat the heat than to take a cool refreshing dip in the pool. Make sure your little ones are always within arm’s reach, and don’t forget your pool passes. If you’re planning to spend the day, take advantage of the newly painted picnic tables with umbrellas to enjoy your snack or lunch. There is no food allowed in the pool area.

Cool Activities

Swimming in the pool, fishing, boating, or crabbing from the dock are all ways to keep cool at White Horse Park. But if these don't do it for you, check out the following "cool" activities we've got scheduled for the remainder of the summer:

Flea Market

The WHP Annual Flea Market will be held Saturday, 7 August, from 7 a.m.-1 p.m. Tables cost \$10.00 for WHP homeowners, \$15.00 for non-homeowners. Extra tables, whether they are yours or those supplied by the park, cost \$5.00 each. Refreshments will be sold throughout the morning. Contact the WHP office to register.

Luau

The WHP pool area turns into a tropical paradise on Saturday, 14 August. The party begins at 6 p.m. and last until 11 p.m. Pork Tenderloin, Sauerkraut, Hot Dogs, Au Gratin Potatoes, Green Bean Casserole and Pineapple bake, along with a variety of donated desserts, are sure to get your mouth watering. Soda, beer and plenty of frozen drinks will be on hand to keep you cool. Entertainment for the evening will be provided by Randy Lee Ashcraft. The pool will open at 10:00 a.m. as usual. Luau guests must purchase a ticket and wristband for

\$15.00 for adults, \$7 for children under 12, and under 6, free. Wear your best Hawaiian garb; we will provide the leis and atmosphere.

Labor Day Crab Feast

If the heat is making you feel crabby, then the Annual Labor Day Crab Feast is the place for you. All the crabs you can eat will be available on Saturday, 4 September, from 1-6 p.m. at the clubhouse. Tickets cost \$22 for adults, \$11 for children under 12, with children younger than 6 eating free. Crab Soup, Hamburgers, Hot Dogs, Corn on the Cob, Soda, Coffee and Beer will round out the menu. An assortment of donated desserts will be available. When you're done eating, try your hand at the horseshoe tournament, while listening to the tunes supplied by our local DJ.

Pancake Breakfast

Pancakes, Eggs, Sausage, Chipped Beef, Biscuits, Fruit Cup, Juice, Coffee and Tea can be purchased Sunday, 19 September, at the clubhouse from 7 a.m. until noon. Cost is \$6 for adults, \$3 for children under 12, and under 6 are free. What a great way to finish up your summer activities before heading back home for the fall!

Enjoy the rest of your summer. Stay cool and stay safe!

Susan Naplachowski

Park Manager
