

TOM'S NOTES

Dec. 2007

The WHP maintenance staff is currently remodeling the restrooms at the pool as well as the phase #3 bathhouse. Try to make it a point to stop and see the improvements.

Included in this mailing is the 2008 cable bill (yellow paper). The charge will remain at \$160.00 for this year and is due March 1, 2008. Don't forget if you do not want cable the form must be completed and returned or your account will be assumed to be delinquent for the entire \$160.00 charge.

The office is still receiving reports of people not picking-up after their pets. Please carry plastic bags and properly dispose of waste.

When calling for an emergency vehicle of any kind please also notify the WHP office/security staff (410-641-5102). This will ensure the security gate being in an open position when vehicles arrive. It has also been requested for emergency vehicle purposes that all units have lot numbers clearly posted on units.

Don't forget an ECC form when doing any additions or improvements to your units. Also please display ECC form in front window while work in progress. Approved forms are good for 1 year.
