

TOM'S NOTES

April 2009

White Horse Park Owners: *This message is to inform all owners that some members of the board of directors have decided that I should not remain as the Park Manager at White Horse Park. Since this decision was made my office assistant Sandy has resigned, Asher our year round maintenance person has resigned, Ed Landgraf 1st Vice President of the BOD and Brad Basford 2nd Vice President of the BOD have resigned their positions and two members of the ECC committee, Ric Smith & Bob Machenry, have resigned effective June 24, 2009. The new Park Manager position has not been filled as of this printing since the WHP attorney and my personal attorney are working out some possible Conflict of Interest issues with two members of the existing board of directors. If the decision stands and I am removed from the Park Manager position I would like to state that I was honored to have worked with some very special people and will always have fond memories of my time here. I would feel extremely honored if I am still here during your next visit to the park, you could find some time to stop by the office.*

Annual Meeting June 27, 2009 (Stephen Decatur HS): Four positions on the B.O.D. will be filled, 2 for three years & 2 for one year. Any member in good standing may file a nomination with resume in writing for a position no later than 45 days prior to the election (May 13). Since Brad Basford & Ed Landgraf have resigned it left two vacancies on the Board. Bob Raymond and Pat Young received the next highest number of votes and have agreed to finish this year.
