

## **\*\*Welcome to our New Park Manager\*\***

On behalf of the membership of White Horse Park, the Board of Directors would like to extend a warm welcome to Billie Reynolds. She is our new park manager. She will start on Monday, February 3, 2020.

Billie possesses a wealth of experience and she is looking forward to serving as a major asset to our White Horse Park. Billie would like to share that she began her own construction company when she was 19 years old. She then studied Construction Engineering. She grew to love the housing market and all the inner workings of community operations and administration. She has learned a lot through her 20 years of managing construction sites, multi-unit communities, and single-family home communities. She has also become educated in accounting over the years.

Billie has a 4-year-old deer head chihuahua named Kyuss, and Billie has a son. Billie's hobbies include motorcycling and camping. She is very much looking forward to working with all of us to preserve, protect, and revive our White Horse Park Community.

Welcome Billie Reynolds!!!!
