Clarification Re: Residency List Posted

The Notice to Owners posted on 5/8/2020 is a list of owners that the Board received from the Association's attorney. It was given to him by the attorney for the owners who are challenging the prohibition on year-round occupancy. The list purports to show the owners who live in the Park year-round, and it will probably be used in the court case to establish the number of year-round residents in the Park.

The Board does not know if the list is accurate, but it would like an accurate list of year-round residents. Therefore, if your name is on the list and you do not live in the Park year-round, please contact the Park manager.
