

WHP Ongoing Update

****Update 5/20/2020- The Laundry room on Seahawk is open.**

****Update 5/11/2020- Laundry room in the office is open during office hours, and card machine has been moved to the cove.**

As of May 7, 2020, WHP will open.

What does this mean? Social distancing guidelines remain in effect in the park.

The Marina will be open, and the boatyard will be open beginning 5/7/2020.

Other amenities will open in phases, and we will update you as the schedule is clearer, but rest assured the time frame will be reasonable.

Thank you for your patience during these trying times.
