

## **Postponement of Annual Meeting/Election**

**On 11/11/2020 the Board had an emergency conference, beginning at 1:30pm, to discuss the Governor's latest advisory regarding COVID-19.**

Ed made the motion to postpone the annual meeting and election until on or about March 13, 2021 due to the possible lack of a quorum, out of state travel restriction advisory, Maryland Governor's Advisory against large group gatherings of no more than 25 people, and mostly out of consideration of the safety of homeowners. There are also concerns about mail and ballots not being received in a timely fashion, as well as possible future restrictions that may prohibit gathering to count/verify/certify ballots.

Melissa seconds the motion.

All other Board Members concurred by 2:21pm. This was a unanimous 4-0 decision.

*For those owners who do not agree with this decision, please take a moment to realize how much work we have put into planning this meeting. We are volunteers, and this is a huge disappointment. We won't lose money on our Convention Center reservation or video, and we will get plans rescheduled when things are safe for all. In the meantime, please reach out to us with any questions or concerns. Thank you!*

*Sincerely,*

*YOUR WHP BOD*
