**Announcement Concerning the Litigation between the Full-Time Group and the County/Park**

The County opposed dismissal (Full-Time group tried to drop the County and only sue the Park).

The full-time group requested a continuance (postponement of the trial scheduled for 12/15 and 12/16). Their attorney referenced Covid, and he also referenced the postponement of the WHP Election.

The trial for December is being administratively postponed. A motions hearing on the Motion to Dismiss the County will be going forward on December 15<sup>th</sup> (This hearing is understood to be a formality). Tentatively, the new trial dates will be March 22 and 23, 2021.
