

Proposed WHP By-Laws Amendment

Submitted by: Jon Gilmore

Submitted to the BOD: February 26, 2022; Submitted to WHP Homeowners: March 26, 2022

Proposed Amendment

ARTICLE V, Meeting of Members, Section 4

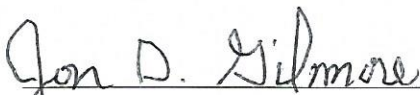

The language in blue font below added to and at the end of ARTICLE V, Meeting of Members, Section 4, so it reads as follows:

“The Board may be required to call and attend special meetings of the Association at any time in the manner herein provided. A special meeting may be called upon the written petition of a minimum of twenty (20%) percent of the total property owners (93 lots) of the Association. Such petition shall set forth the purpose of the special meeting.

In the event a written petition of a minimum of twenty (20%) percent of the total property owners (93 lots) of the Association is presented to the Board, requesting a special meeting and setting forth the purpose of the special meeting, the Board is required to call and attend the special meeting. The special meeting will be called as outlined in, and in accordance with, WHP By-Laws Article V, Sections 4 (as Amended herein), 5 and 6.”

Reason why amendment is being proposed: In the past, Homeowners have requested special meetings and the Board insisted that Article V; Section 4, did not apply to the Board of Directors. If twenty percent (20%) of the total property owners (93 lots) at WHP think there is an issue important enough to call a special meeting, the Board should be required to call and attend that meeting, and do so following the specific requirements noted in Article V, Meeting of Members, Sections 4, 5 and 6.
